

FAMILY MINISTRY

Updated September 7, 2010

Married Life Night

• Our volunteers are an important part of this event - they help to encourage and empower couples in their marriages. We ask them to serve at each of the Married Life Night events during the year.
(Scheduled for 7:00 pm on January 7, 2011 and May 13, 2011)

1. *Pre Event:* Volunteers help set up the room the day of the event.
2. *Event:* On the evening of the event, volunteers arrive 2 hours prior to the event and are served dinner as a team. These couples greet attendees at the entrances and monitor the dessert and coffee stations throughout the night.
3. *Post Event:* Volunteers help tear down at the end of the evening.

Pre-Marital Mentors

• We are looking for Christian men and women who demonstrate both maturity in their relationship with God and wisdom in their marriages. In order to be a mentor couple you need to have been married at least 5 years.

You don't have to be the perfect couple to help another couple thrive. In fact, your past relationship struggles can become your greatest gifts to someone else who is going through the same thing. We will train, encourage, and pray for you as you take on this couple to couple ministry. Mentors are not counselors, just couples letting the Holy Spirit work through them.
