

# CHILDREN'S MINISTRIES

*Updated August 9, 2011*

## **Nursery**

• Come and cuddle with the littlest of Southview's children. We are in need of men, women and youth (Club 56 through adult) to cuddle and play with infants and toddlers. Training is provided, no preparation is required – and no diaper changing!

*All services need help; please see sign up sheets at your service or talk to the service supervisor.*

## **Ark Builders – Preschool Teachers & Helpers**

• For our 2 years to Kindergarten aged children. We need men, women and youth (Club 56 through adult) to be on a rotation schedule of once or twice a month to teach Bible truths. Training is provided; no preparation is required, other than familiarizing yourself with the lesson and being there for the children.

*Teachers & Helpers needed at all Evergreen services.*

## **Kingdom Builders – Small Group Leaders**

• For our Grade 1 to 4 children. We need men, women and youth (Jr. High and Sr. High) to be Shepherds with 8 to 10 children for a time to build community, aid in the application of the Bible story (which is taught by another volunteer) and to minister to them personally. This provides the children with authentic Christianity as the leader shares his or her life with them. No preparation time is required other than to familiarize yourself with the lesson. Commitment of 1 to 2 times per month.

*Leaders needed at all services.*

## **Kingdom Builders - Large Group Leaders**

• Our Grade 1 to 4 children are looking for dynamic men, women and youth (Jr. & Sr. High) to be Large Group Teachers. This is where your creativity can be unleashed through creative teaching methods and skilled communication. This is a wonderful volunteer position that will give you a time to present Bible Truths to these children. Training is provided and there is some preparation time. We require 4 to 6 people to teach the Large Group Lesson once every 4 to 6 weeks. This position requires the volunteer to teach the Large Group Lesson for all four Evergreen services on a weekend or once at imago dei.

## **Club 56 - Leaders**

• For our Grade 5 & 6 Group we require men, women and Sr. High youth to be leaders and shepherds with a group of 10 to 15 students. This position requires more preparation to help the students build community, teach and apply the Bible lesson and minister to them personally. Commitment to a weekly or biweekly rotation.

*Leaders needed at all services.*

## **Kamp 8:28 - Small Group Leaders**

• Kamp 8:28 is our weekday discipleship program (Wednesdays from 6:30pm to 8:00pm) for children in grades 1 through 6. During this time, we enhance the weekend service lesson by way of Bible Stories, games, crafts, activities and booklets. We require men, women and youth (Jr. & Sr. High) to help build relationships with these children, review their booklets, play games and minister to them. Training is provided and minimal preparation is required.

*Leaders needed for all grades, both genders.*

## **Prayer**

• With 320+ children and 60 volunteers on a regular weekend, and another 100 children and 20 volunteers on Wednesdays . . . we need prayer! If you would like to pray for the children, volunteers, programs and staff in Treasure Seekers, we would love to hear from you.
