

Pastor of Local and Global Engagement

Southview Church is a large, multi-ethnic, multi-generational church located in Calgary's deep south, with a passion for leading people to know and follow Jesus. There is a long legacy of seeing people transformed by the life changing news of Jesus and propelled forward on mission – both locally and globally. We are passionate about making disciples in our church, in our community, and around the world. We dream of seeing our people living in unity with one another, growing in their faith, serving and caring for others, and telling the story of who Jesus is wherever God has uniquely positioned them.

This role is ideal for someone who is passionate about developing and leading strategies that equip and mobilize people to live out their faith beyond the walls of the church. This includes helping people build meaningful relationships and embrace a “scatter” lifestyle in their everyday lives.

The successful candidate will play a key role in shaping, developing, and leading Southview's “OUT” strategy.

What you get to do:

- **Build and Lead Southview's Alpha Ministry** – The long-term vision is for Alpha to become Southview's primary gathered evangelism environment, with the hope of eventually growing into a regional hub.
- **Develop Local Mission and Community Partnerships**- Lead Southview's local mission and community partnership strategy by identifying and building partnerships with like-minded organizations that create meaningful opportunities for our people to serve and engage beyond the walls of the church.
- **Develop and Lead Local Engagement Strategies** – Develop and lead community engagement strategies and initiatives, including programs such as the HUB Tutoring Program, to help build meaningful connections within our community.
- **Oversee Southview's International Mission Strategy** – Help deepen Southview's engagement in the global ministry work of The Alliance Canada.
- **Engage in Developing Strategies for New Canadians** – This may include launching ministries such as Love New Canadians, or other initiatives that help newcomers connect with both the church community and the wider city.
- **Recruit, Develop, and Equip** – Develop volunteers who are equipped and supported to serve effectively and thrive in ministry.

Who you are:

- A pastor with a compassionate heart for people who is accredited with The Alliance Canada, or willing to obtain accreditation.
- Experience working in a local and global engagement environment.
- Experience in a local church ministry, or related ministry environment.
- Experienced in handling sensitive and confidential information, with a strong understanding of the importance of discretion.
- Excellent communication skills, with a friendly and positive attitude.
- Self-motivated, action-oriented with a commitment to creativity and problem-solving.
- A team player who is willing to serve others faithfully.

This is a permanent position (40 hours per week) spread over weekdays, weekends, and evenings.
