## URGENT SERVING NEED!

Mom's Group

Our Mom's Group needs a leader! Mom's Group meets on Wednesday mornings from 9:30-11am and offers our young moms a place for mentorship, community and biblical growth. If you sense God calling you into this role, please contact us at [women@southviewchurch.com](mailto:women@southviewchurch.com)

Needleworx saw considerable growth this year. It's a great place to grow in community and finish your knitting, crocheting, or other needle work projects at the same time. Come check us out in the Fall.

Spring Study - 174 attended

Bible study also saw considerable growth this year, particularly our Monday night group which tripled in growth. We studied the Gospel of Mark, followed by a spring study on Prayer. We'd love you to join us in the Fall. Watch for registration to open in August.
